Suggested gratuity of 18% is customary for parties of 6 or more. The payment and amount of gratuity is always discretionary.

For convenience we will show this amount on guest checks for larger parties.

There is risk associated with consuming raw oysters. If you have chronic illness of the liver, stomach or blood or have immune disorders, you are at greater risk of serious illness from raw oysters, and should eat oysters fully cooked. If unsure of your risk, consult a physician. Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of foodborne illness.
